AP®: The Benefits
AP®: The Benefits

- Students learn rigorous college-level content and skills
- Taking AP is valued in the college admission process
- AP courses are interesting and rewarding academic experiences
- Opportunity to earn valuable credit and placement in college while still attending CHS.
85% of selective colleges and universities report that a student’s AP experience favorably impacts admission decisions*

Colleges rank grades in college-preparatory courses and strength of curriculum as the two top factors in the admission decision.

AP courses tell college admission officials that students are challenging themselves and preparing for the rigors they'll encounter in their college careers.

*Unpublished institutional research, Crux Research Inc., March 2007
AP®: Skills & Advantages that Last a Lifetime

• Taking an AP course helps students build critical thinking skills, confidence, and the essential time management and study skills needed for college success

• Nationally, research shows that students who score a 3 or higher on an AP Exam typically earn higher grade point averages in college and have higher graduation rates than their non-AP peers*

*2009, The College Board, “The Relationship Between AP Exam Performance and College Outcomes"
Students who take AP courses and exams are much more likely to complete a college degree on time.* Graduating in four years represents a significant savings on the cost of college.

Only 1 in 4 college students completes a bachelor’s degree in 4 years.

The average cost of college for a single year is $23,410** for in-state schools (tuition, fees, room/board, misc. expenses).

AP® Expands Students’ Options

When students earn college credit through AP Exams, their options and opportunities expand:

• Move to upper-level college courses sooner
• Pursue a double major
• Gain time to study and travel abroad
AP®: A More Engaging Learning Experience

AP courses challenge students to work and participate at a higher level:

• Opportunities to explore topics in depth

• More time in and out of the classroom required to complete assignments and projects

• High expectations for critical thinking, analysis, synthesis, evidence, multiple perspectives, and clear written and verbal communications
AP® Exams

AP Exams are administered by schools worldwide on set dates in May each year.

• Exams are typically 2–3 hours and include:
  • Multiple-choice questions
  • Free-response items such as essays, problem solving, document-based questions and oral response
The exam fee for 2015 is $91 per exam.

HOWEVER, HALL COUNTY PAYS FOR EVERY EXAM!!
Credit and Placement Opportunities

Each college and university has its own policies regarding AP® credit and placement. The College Board offers information about AP credit at thousands of college and universities at www.collegeboard.org/apcreditpolicy.

- Search by school name or alphabetically
- Data for each school includes a direct link to that school’s Web page detailing AP credit and placement policies
- A statement from the college or university about its AP policy

Next Steps: Help Your Child Make the Best Choices
Help your child prepare to talk to a teacher or counselor about AP. Here are some questions to encourage your child to think about:

**What AP course is right for me?**
Before you talk to a teacher or counselor, think about what interests you:
- Which courses do you enjoy most in school? In which subjects do you excel?
- What college majors are you considering? What careers excite you?

Ask your counselor or teacher the following questions:
- In which AP courses at our school am I likely to do well?
- Are there other courses that can help me succeed in AP or prepare me for college and careers?

**What steps do I need to take?**
- What is our school’s enrollment deadline?
- May I speak with a student who has taken an AP course?
- Are there study groups or people who can offer help if I need it?
- What can I do next to help me prepare for AP?
